RE: Tennessee Wastewater Systems, Inc.'s Petition to Amend Certificate of Public Convenience and Necessity to Provide Wastewater Utility Services (Docket No. 05-00078- Brownlee Commercial Building)

Dear Mrs. Standley:

Tennessee Wastewater Systems, Inc. provides the following information per your request dated April 28, 2005.

1. The estimated amount of contributed capital to Tennessee Wastewater Systems once the system is transferred to TWS.

\$45,000

2. Will the system being constructed for Brownlee Commercial Building be capable of serving more than the 4 tenants of Brownlee Commercial Building? Will the system be designed for expansion?

The system being constructed is only being built to serve the 4 tenants of Brownlee Commercial Building but the system can be expanded in the future.

3. An estimate of the maximum capacity of the system being installed in the area requested.

1,500 Gallons Per Day

4. A "Letter of Intent" from the developer or other party responsible for construction of the system, indicating the intention to contract with TWS for the operation of the system, once construction is complete.

A signed contract was attached to our original petition.

5. An estimated time frame for construction of the system, including the estimated date construction will begin and the date it is estimated to be complete.

After approvable is received, it is expected that it will take 60 days to complete.

If you have any further questions, or need additional information, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Charles Pickney, Jr.", with a stylized flourish at the end.

Charles Pickney, Jr.

President

Tennessee Wastewater Systems, Inc.
